INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Big Brothers Big Sisters of America

Report on the Financial Statements

We have audited the accompanying financial statements of Big Brothers Big Sisters of America (the Organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2018 and 2017, and the changes in its net assets, functional expenses and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2018 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

BIG BROTHERS BIG SISTERS OF AMERICA
NOTES TO FINANCIAL STATEMENTS
June 30, 2018 and 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization: Since 1904, Big Brothers Big Sisters has been matching youth in meaningful, enduring, professionally supported mentoring relationships with adult volunteers who defend their potential and help them achieve their biggest possible futures. Big Brothers Big Sisters' evidence-based approach is designed to create positive youth outcomes, including educational success, avoidance of risky behaviors, higher aspirations, greater confidence, and improved relationships. In the past 10 years, with 270 affiliates in all 50 states, Big Brothers Big Sisters has served nearly 2 million children. Learn how to get involved at BigBrothersBigSisters.org.

The Organization works closely with Big Brothers Big Sisters agencies ("local affiliates" or "affiliated agencies") throughout the country to implement its programs. These agencies are separate legal entities, which are not controlled by the Organization, and are therefore not consolidated within the Organization's financial statements.

Basis of Presentation: The financial statements have been prepared on the accrual basis of accounting. Financial statement presentation follows FASB ASC 958, *Not-for-Profit Entities*. Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

In accordance with FASB ASC 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Contributions, including unconditional promises to give, are recorded at fair value when received. Multi-year contributions are recorded at their estimated net present value using appropriate discount rates at the date of receipt.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Management's Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the use of estimates based on management's knowledge and experience. Accordingly, actual results could differ from those estimates.

Investments: The Organization carries investments in marketable securities at fair value. FASB ASC 820-10 establishes a framework for measuring fair value and expands disclosures about fair value measurements. For Level 1 investments, fair values are based upon quoted values for identical investments in active markets. For Level 2 investments, fair value is determined by unadjusted quoted prices in active markets for similar assets or liabilities, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable. For Level 3 investments, fair value is based primarily upon estimates and other inputs that are not freely available.

BIG BROTHERS BIG SISTERS OF AMERICA
NOTES TO FINANCIAL STATEMENTS
June 30, 2018 and 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment and Depreciation: Property and equipment are recorded at cost. Depreciation of property and equipment has been provided for on a consistent basis over the estimated useful lives of the various assets using the straight-line method. Expenditures for repairs and maintenance are charged to current operations. Donated property and equipment are recorded at fair market value, if determinable, and depreciated in the same manner as purchased property and equipment. The estimated useful lives of the assets are as follows:

Building improvements	7 to 50 years
Furniture and equipment	3 to 7 years

Income Tax Status: The Organization qualifies as a tax-exempt organization other than a private foundation under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provisions for federal or state income taxes.

Management has performed an evaluation and concluded that there are no material unrecognized tax positions as of June 30, 2018 and 2017.

Membership Fees: Membership fees, which are based on a percentage of the affiliated agencies' annual expenditures, are recorded as income when earned. Fees that have been billed but not yet earned are shown as deferred revenue on the statement of financial position. Accounts receivable from affiliated agencies are monitored and an allowance is established where appropriate for doubtful accounts. Periodically, management reviews membership fees and records an allowance for specific members based on current circumstances and charges off the receivable against the allowance when all attempts to collect the membership fees have failed.

Contributions: Gifts of cash and other assets, including unconditional promises to give cash and other assets, are reported at fair value at the date the assets or promise are received. They are reported as temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. Temporarily restricted contributions which are both received and released within the same year are recorded as an increase in temporarily restricted net assets and as a satisfaction of program restrictions. Contributions receivable are monitored and an allowance is established where appropriate for doubtful accounts. Periodically, management reviews contributions and records an allowance for specific donors based on current circumstances and charges off the receivable against the allowance when all attempts to collect the contributions have failed.

Grants to Local Agencies: The Organization awards grants to the local agencies as part of its goal of enhancing program development and field services with the local affiliates. The grants are recorded as an expense and liability when the related costs are incurred at the local agency according to the respective agreement. The grants are funded by both restricted and unrestricted contributions. The grants to local agencies are due in less than one year.

Cash and Cash Equivalents: For the purpose of the statement of cash flows, the Organization considers all money market funds and certificates of deposit with original maturities of less than ninety days to be cash equivalents.

In-Kind Contributions: The Organization recognizes contributed services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During the twelve months ended June 30, 2018 and 2017, the Organization recognized revenues for contributed legal and accounting services of \$63,614 and \$492,730. An equal and offsetting expense was recognized within Support Services expense (management and general support).

BIG BROTHERS BIG SISTERS OF AMERICA
 NOTES TO FINANCIAL STATEMENTS
 June 30, 2018 and 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Organization records the value of contributed goods when there is an objective basis available to measure their value and is reflected as revenue in the accompanying statements at their estimated values at the date of receipt. The Organization received \$4,656,352 and \$1,406,734 in 2018 and 2017, respectively, of contributed advertising time to promote its mission. In accordance with ASC 958-605 *Revenue Recognition*, these services were recognized as revenue, with an offsetting expense recognized within Program Services expenses (brand development).

In 2015, the Organization entered into a 5 year office space lease with the base lease expenses contributed by the leaseholder. Contribution revenue of \$1,103,970 for the entire lease period was recognized. Rental expense of \$216,392 was recognized in 2017 on the statement of activities with remaining contribution office space revenue in 2017 of \$589,812 being offset to contributions receivable. There were no other contributed goods during the twelve months ended June 30, 2018 and 2017.

On August 21, 2017, the Organization relocated and entered into an amended commercial building lease agreement with base rental expense related to the lease contributed in kind by the current leaseholder for an additional three year past the original lease terms. Contribution revenue of \$304,944 for the amended lease period was recognized in 2018. Per ASC 958-605, the Organization recognized rental expense of \$123,569 in 2018 on the statement of activities with remaining contribution office space revenue of \$771,187. With the execution of the amendment, the Organization will recognize a minimum annual rent expense of \$177,727 and a minimum annual increase of approximately 3%.

A substantial number of volunteers donated significant amounts of their time to assist in the Organization's program services. This time was not recognized as revenue since it did not relate to specialized skills. The fair value of the unrecognized contributed services cannot practicably be calculated.

Endowment Investments: As of June 30, 2018 and 2017 the Organization has \$3,164,232 and \$282,182, respectively, in endowment assets that are restricted by donors and with an additional \$100,000 designated by the board of directors at the end of each year. At June 30, 2017, \$100,000 of the endowment assets were yet to be invested and were held in cash. During the fiscal year ended June 30, 2018 the \$100,000 was invested in certificates of deposit consistent with other endowment funds. The Organization's total endowment funds are invested as follows in certificates of deposit with consistent levels of return and cash:

	<u>2018</u>	<u>2017</u>
Certificates of Deposit	\$ 3,164,232	\$ 282,182
Cash and cash equivalents	-	100,000
	<u>\$ 3,164,232</u>	<u>\$ 382,182</u>

The income from endowment funds are used by donor stated or board designated purpose, respectively.

Government Funding: The Organization receives grant revenue from governmental sources. Government grant revenue is recognized as related costs are incurred. The Organization negotiates its federal indirect rate with the relevant federal agency. Indirect costs recovered on federally sponsored programs are generally based on predetermined reimbursement rate which are stated as a percentage of direct costs incurred. The Organization is subject to audit by government bodies providing grants. Retroactive adjustments are accrued on an estimated basis in the period the related services are delivered and adjusted in future periods as final settlements are determined or as years are no longer subject to such audits, reviews and investigations.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events: Subsequent events have been evaluated through December 20, 2018, the date that the financial statements were available to be issued.

NOTE 2 - RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets are available for the following at June 30:

	<u>2018</u>	<u>2017</u>
Time restrictions:		
In-kind lease	\$ 771,187	\$ 589,812
Term endowment	2,849,875	-
Beneficial interest in trust	<u>60,772</u>	<u>8,316</u>
Total time restrictions	<u>3,681,834</u>	<u>598,128</u>
Purpose restrictions:		
Program implementation	1,290,422	628,082
Agency services	1,330,502	612,379
Child safety	<u>596,272</u>	<u>329,743</u>
Total purpose restrictions	<u>3,217,196</u>	<u>1,570,204</u>
Total temporarily restricted net assets	<u>\$ 6,899,030</u>	<u>\$ 2,168,332</u>

Permanently restricted net assets represent endowments that have donor-imposed restrictions which require the principal to remain intact, with the interest earned to be allocated between unrestricted and temporarily restricted funds based on the donor stipulation.

NOTE 3 - CONTRIBUTIONS RECEIVABLE AND GOVERNMENT GRANTS RECEIVABLE

As of June 30, 2018 and 2017, the Organization recorded promises of funding of \$5,642,525 and \$4,345,068, respectively. The promises to give are considered fully collectible and consist of the following as of June:

	<u>2018</u>	<u>2017</u>
Less than 1 year	\$ 5,642,525	\$ 4,345,068
1-5 years	<u>-</u>	<u>-</u>

NOTE 4 - INVESTMENTS

At June 30, 2018 and 2017, investments carried at fair value were Certificates of Deposit and Money Market Accounts at \$9,183,979 and \$2,379,533, respectively.

The total investment gain(loss) for the twelve months ended June 30, 2018 and 2017 was (\$17,973) and \$10,538, respectively, which consisted of investment income and gain/loss on investments. Certificates of Deposit are recognized as Level 2 investments within the fair value hierarchy. Refer to Note 5 for fair value disclosures.

NOTE 5 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The following methods and assumptions were used by the Organization in estimating fair value of financial instruments.

Cash and Cash Equivalents: The carrying amount of cash and cash equivalents approximates fair value due to the short-term nature of these instruments.

Investments: The fair values for Certificates of Deposit are based on cash maturity values, discounted to present value. Money market accounts are record at cost which approximates fair value.

The carrying amounts and fair values of financial instruments at June 30, are as follows:

	<u>2018</u>	<u>2017</u>
Balance Sheet Assets		
Cash and cash equivalents	\$ 2,456,943	\$ 5,447,815
Investments	6,019,747	2,097,351
Beneficial interest in trust	60,772	8,316
Endowment investments	3,164,232	282,182

Fair value measurements are as follows (the carrying amounts of other financial instruments not listed in the table below approximate fair value due to the short-term nature of such items) as of:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total

NOTE 7 - PENSION PLAN

The Organization sponsors a defined contribution pension plan (401(k)) covering all full-time employees over age 20-1/2 with six months of continuous service. The Organization does not make contributions to the pension plan. Eligible employees may elect to invest up to ten percent (10%) of their compensation through payroll deductions.

The Organization maintains a non-qualified, unfunded 457(f) deferred compensation plan. This plan is designed for certain employees as incentive for contract completion. The plan defers receipt of portions of their compensation, thereby delaying taxation on the deferral amount and on subsequent earnings until the balance is distributed. A liability of \$60,000 and \$30,000 was recognized during 2018 and 2017, respectively.

NOTE 8 - RELATED PARTIES

As of June 30, 2018 and 2017, the Organization has no current receivables, net of reserves, from members of its Board. The Organization recognized contribution revenue of \$4,040,775 and \$841,160 during the twelve months ended June 30, 2018 and 2017, respectively, from its Board.

NOTE 9 - LEASES

On February 1, 2015 the Organization entered into a 5 year lease agreement with base rental expense related to the lease contributed in kind by the leaseholder. Per ASC 958-605, BBBSA was recognizing a minimum annual rent expense of approximately \$210,000 for the year ended June 30, 2017.

On August 21, 2017, the Organization relocated and entered into a new 5 year commercial building lease agreement with base rental expense related to the lease contributed in kind by the current leaseholder. After one year, the organization has an expansion option under the same conditions. Contribution revenue of \$894,755 for the entire lease period was recognized in 2018. Per ASC 958-605, the Organization recognized rental expense of \$123,569 in 2018 on the statement of activities with remaining contribution office space revenue of \$771,187. With the execution of the expansion option, the Organization will recognize a minimum annual rent expense of \$177,727 and a minimum annual increase of approximately 3%.

The Organization also leases equipment and other office space under leases which expire at various dates through 2018. For the twelve months ended June 30, 2018 and 2017, total rental expenses under these leases amounted to \$4,673 and \$23,949, respectively.

At June 30, 2018, the Organization was obligated under various non-cancellable lease arrangements including in-kind by leaseholder, for office space and equipment as follows:

2019	\$ 177,727
2020	186,626
2021	192,245
2022	198,045
2023	<u>16,544</u>

NOTE 10 - CONCENTRATION OF CREDIT RISK

During the year, the Organization may have cash balances in banks in excess of the Federal Deposit Insurance Corporation limit. As of June 30, 2018 and 2017, the Organization has \$11,386,395 and \$7,594,244, respectively, of cash and cash equivalents and investments in excess of the Federal Deposit Insurance Corporation limit.

NOTE 11 - CONTINGENCY

Litigation: From time to time, BBBSA has been named as a defendant in civil lawsuits. In management and legal counsel's opinion, potential exposure not covered by insurance is immaterial.

Federal Grants: Grant funds received by BBBSA are subject to audit by grantor agencies. Audits of these grants may result in disallowed costs, which may constitute a liability of BBBSA. In the opinion of management, disallowed costs, if any, would not be material to the financial statements of the BBBSA.

NOTE 12 - ENDOWMENT COMPOSITION

BBBSA's endowments consist of 4 individual funds established for a variety of purposes. The endowments include both donor restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of UPMIFA: The State of Florida enacted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) effective July 1, 2012. The Board of Directors of BBBSA requires the preservation of the "Historic Dollar Value", defined as the fair value of the original and subsequent gift(s) to the fund which shall be retained in the absence of explicit donor stipulations. This definition only applies to endowment funds subject to UPMIFA and does not include quasi-endowments, or funds where the 3rd party Trustee owns and controls the assets.

(Continued)

NOTE 12 - ENDOWMENT COMPOSITION (Continued)

As a result of this interpretation, BBBSA classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (3) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted until those amounts are appropriated for expenditure by BBBSA, or, unless deficiencies in the fair value of a fund fall below the level required by BBBSA to retain as perpetual. In accordance with UPMIFA, BBBSA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund
- 2) The purposes of the organization and the donor-restricted endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources of the organization
- 7) The investment policies of the organization.

Return Objectives and Risk Parameters: The purpose of the Endowment Fund is to facilitate donors' desires to make substantial long-term gifts. BBBSA has adopted a conservative investment policy for endowment assets and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the BBBSA must hold in perpetuity or for a donor-specified period(s) as well as Board designated funds.

Strategies Employed for Achieving Objectives: The purpose of the Endowment Fund is to facilitate donors' desires to make substantial long-term gifts to develop a new and significant source of revenue for the BBBSA. In so doing, the Endowment Fund will provide a secure, long-term source of funds to potentially: (i) stabilize agency funding during periods of below normal giving; (ii) fund special grants; (iii) ensure long-term growth; (iv) enhance our ability to meet changing community needs in both the short and long-term; and/or, (v) support the administrative expenses of the BBBSA as deemed appropriate.

Spending Policy and How the Investment Objectives Relate to Spending Policy: BBBSA appropriates a set amount each year for program and administrative purposes. In establishing the individual endowment funds, BBBSA considered the long-term expected return on its endowments. Accordingly, over the long term BBBSA expects an average of 2% annual return. This is consistent with BBBSA's objective to maintain the purchasing power of the endowment assets held in perpetuity or for specified term.

Funds with Deficiencies: From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or UPMIFA requires the BBBSA to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature that are reported in unrestricted net assets were \$65,373 as of June 30, 2018. There were no such deficiencies as of June 30, 2017.

Endowment Fund principal, unless otherwise directed by the donor, shall not be disbursed except for emergency situations. In order to make a principal disbursement, the Audit Committee functioning as the Investment Committee would need to make a recommendation for approval to the Board of Directors.

**Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements Performed
in Accordance with *Government Auditing Standards***

To the Board of Directors of
Big Brother Big Sisters of America:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Big Brothers Big Sisters of America (the Organization) which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 20, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal controls or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
Big Brothers Big Sisters of America:

Report on Compliance for Each Major Federal Program

We have audited Big Brothers Big Sisters of America's (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2018. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

(Continued)

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the Organization as of and for the year ended June 30, 2018, and have issued our report thereon dated December 20, 2018, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

BIG BROTHERS BIG SISTERS OF AMERICA
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
June 30, 2018

NOTE 1 - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) summarizes the federal awards expended by Big Brothers and Big Sisters of America (the Organization) for the year ended June 30, 2018.

For the purposes of the Schedule, federal awards include all grants, contracts, loans, and loan guarantee agreements entered into directly between the Organization and agencies and departments of the federal government. The Organization has classified all awards into major and nonmajor programs in accordance with the provisions of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Major programs include the following:

The Juvenile Mentoring Program – Includes awards to support mentoring programs for youth at risk of educational failure or those who were involved in delinquent activities.

NOTE 2 - BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards has been prepared on a cash basis of accounting.

Expenditures for federal programs are recognized as paid.

The Organization has elected to use the 10-percent de minimis indirect cost rate allowed under the *Uniform Guidance*.

Expenditures for other federal awards of the Organization are determined using the cost accounting principles and procedures set forth in the Uniform Guidance. Under these cost principles, certain expenditures are not allowable or are limited as to reimbursement.

NOTE 3 - NONCASH AND FEDERAL INSURANCE

The Organization did not receive any noncash assistance or have Federal insurance in effect during the fiscal year.
